Seating Products

#### **Customisable Foldable Chair**

Vari is lively, mobile and unpretentious little fella with a colourful personality. You can easily move it around for an impromptu breakout session, or store them away when you need the space for something else. Eye-catching mesh-like shells in popular colour options gives a smart look to suit all venues, from seminar rooms to cafeteria. Its versatile enough to suit educational, teaming and conference applications.

Vari's versatility is great enough to suit educational, training and conference applications.

### Enviromental

Almost all components (up to 96% in 641FDA64H4) can be easily disassembled using normal tools and separated into 100% recyclable materials ( PP, aluminum, steel). Recycled material content is also used in manufacture where possible (up to 25% for 641FDA64H4). No PVC is used.

### Safety & Durability

Vari is designed and certi ied to BIFMA X5.1:2002 standards for durability and safety.
