

# TRAVELLER PREMIUM

## SleepMaker<sup>®</sup> COMMERCIAL

### KEY ADVANTAGES

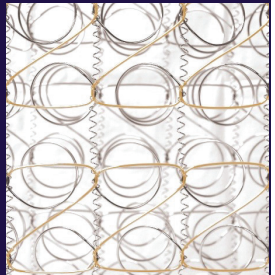

**Climatex<sup>®</sup> Quilt**  
Climatex<sup>®</sup> Quilt is a breakthrough sleep surface that combines Dreamfoam<sup>®</sup> with premium high loft fibre.

**Dreamfoam**  
Dreamfoam, manufactured in Australia by Dunlop Foams is eco-friendly and Ultra-Fresh treated to protect against common household allergens.

**Miracoil Advance**  
The Miracoil Advance support system incorporates a heavier gauge wire and 5 distinct support zones to provide increased levels of support.
