Seating Products

### **Seating Excellence at Work**

Active sitting can redefine your sitting experience. Instant comfort, easy height adjustment, and enhanced mobility. MOVE is designed to create a healthier and more comfortable experience throughout your work day.

Featuring smart and stylish design, MOVE aims to provide an enhanced seating experience at work, especially in the medical and lab environments. Sturdy design with added back support, MOVE is ideal for practically any side-way or forward-leaning tasks.

Mechanism

Pneumatic Seat  
Height Adjustment

Design lives within the lines.  
No one can say that this chair  
appears “utilitarian”.
