

SIESTA CHAIR

The SIESTA chair is the ideal mass public seating solution. The improved design, style, and elegance sets it apart, but its the high-impact fully moulded polypropylene seat shell and chrome frame that delivers all the benefits. A seat so sleek and comfortable, yet no moving parts, no feet to fall off, no ganging hardware. It's a true ALL-IN-ONE chair.

Stacks 10 high vertically. The strong polypropylene moulded seat shell makes them basically maintenance free and easy to clean.

Perfect for Colleges, Boarding Schools, Universities, Dining Halls, Lecture Rooms, Training Rooms, Churches and other public spaces.

Frame: Chrome sled base

Seat Shell: Black polypropylene
