

# HOTELIER PREMIUM – DOUBLE SIDED

## SleepMaker® COMMERCIAL

### KEY ADVANTAGES

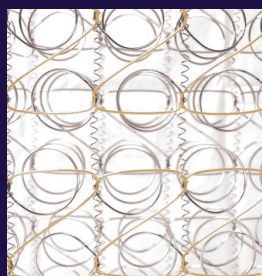

**Climatex® Quilt**  
Climatex® Quilt is a breakthrough sleep surface that combines Dreamfoam® with premium high loft fibre.

**Dreamfoam**  
Dreamfoam, manufactured in Australia by Dunlop Foams is eco-friendly and Ultra-Fresh treated to protect against common household allergens.

**Miracoil Classic**  
The Miracoil Classic continuous coil support system incorporates a heavier gauge wire providing evenly balanced body support.
